WATERPROOF PANELS, WORKTOPS, SPLASHBACKS & UPSTANDS

Beautiful Bathrooms

Attractively Affordable

Consider the advantages of Nuance for your next bathroom.

The choice of designs and materials allows you to create beautiful interiors shaped around your personal style.

Add to that quick and easy installation. Plus, the confidence of easy maintenance and long-lasting quality.

And then you will realise how Nuance can be an attractive and affordable part of your home.

The new Nuance range offers 25 laminate ex-stock designs, plus 5 made to order, in options across five panel sizes. There are 3 postformed panels, including a new 160mm size for finishing a run of panels, and 2 tongue and grooved panels, with a new 1200 wide introduction to reduce joins and speed up installation. To complete the collection there are two laminate worksurface sizes for counter top and semi-recess basins with upstands to match, plus a further 3 solid surfaces for worksurfaces and upstands.

Easy Maintenance

Nuance bathroom surfacing couldn't be easier to keep clean. A simple wipe with a damp cloth and a gentle cleaner is all that it takes. There are no grout lines like tiles to worry about and the specially designed tongue and groove panels jointed with our bespoke adhesive means there are no dirt traps. So you can lie back and relax in that beautiful bathroom of yours.

Aqua Bubble tongue and groove wall panels

Absolutely Waterproof

Nuance laminate panels are constructed from a patented core board that is certified as 100% waterproof and is exclusive to Nuance. Which means that you can be confident you are buying the best that money can buy.

And splash around as much as you like!

Please note that due to manufacturing processes, Bubble and Rococo designs will not match across butt jointed T&G panels.

If in doubt, please phone 01604 718580.

Sensuous Stone

Few can resist the allure of polished granite. Nuance Quartz designs recreate the magic of stone with realistic high print definition and metallic particles captured in lustrous high gloss finish.

Choose from a palette of white, black, cinder brown, and cream. The perfect way to give your bathroom an upscale look, without the expense or ongoing maintenance of the real thing.

Material Mix

It's easy to create your very own spa-style interior at home. Nuance materials, designs and colours are perfect for combining together to create stylish looks with contrasting surface textures. All of which are superbly practical and easy to care for.
